

Rebecca Wood

Partner

Founders Circle Capital

Rebecca Wood, Partner, was previously a Manager within Rakuten's Business Incubation Team where she helped launch a co-working business and a digital solutions consultancy. Rebecca delved into entrepreneurship when she served as a Start-up Analyst for KITE, which enables corporations like Nestle, Steelcase and Visa to harness their in-house innovation and incubation abilities through KITE's SaaS platform and professional services. Rebecca developed her financial modeling skills at Goldman Sachs and De La Rosa & Co. where she participated on the deal teams for large infrastructure projects.
