

Sangeen Zeb

Partner

Founders Circle Capital

Sangeen Zeb, Partner, joined Centerview as a Senior Associate after graduate school. He was promoted to Principal, where he led investments in Sauce Labs (Board Observer) and Affirmed Networks (acquired by Microsoft). He also worked on Centerview's investments in Acquia (acquired by Vista Equity) and SecureWorks (IPO in 2016). Sangeen began his investment career at Summit Partners, where he focused on the software and consumer internet sectors.

Sangeen holds a B.S and MBA from the Wharton School.
