Ryan Morrison

Partner Founders Circle Capital

Ryan is a Partner at Founders Circle Capital, and has worked on over 25 investments since starting at the fund, including multiple exits like ServiceTitan, HashiCorp, Robinhood, Monday.com, and Confluent. Most recently, Ryan led the fund's investments in Cribl, Huntress, EliseAI, and Strava.

Prior to joining FCC, Ryan was an investment banker at Barclays, where he worked on several high-profile transactions, including the public offerings of Crowdstrike, Uber, and Anaplan. He graduated from the University of Virginia with a major in Finance & Accounting.

Ryan lives in San Francisco and spends his time outside of work skiing, running, and playing competitive tennis.
