

# CHRO Interview Questions

## Sample Questions For Your Next Chief Human Resources Officer

- What motivates you to take on the role of a CHRO?
- Describe your path transitioning from a VP to a C-suite leader.
- How do you approach culture and culture-building at an organization? What separates a strong work culture from an exceptional one?
- Explain how you have successfully championed and advanced a high-performing, results-oriented culture in your previous roles.
- Please discuss your philosophies around diversity, equity, inclusion and belonging — how have you integrated DEI and talent management systems in the past?
- Discuss your experience developing and implementing a performance management system, along with employee engagement and related metrics.
- How have you executed talent strategies, including organizational design, competency coaching, career development, and retention? How have you successfully built out a best-in-class talent acquisition and recruiting function?
- In your opinion, what constitutes exceptional talent?
- Share your experience in developing a comprehensive learning and development program.
- Explain how you have established and executed succession management plans and strategies in the past.
- How did you improve compliance, governance, strategy alignment, and investment prioritization in past roles?
- Please explain your familiarity with employment law.
- Describe your experience working with internal and external stakeholders, such as Boards of Directors, senior management, public officials, and the general public.
- What strategies have you used to navigate challenging or politically sensitive situations in the workplace?
- Describe your approach to building relationships and partnerships with diverse groups and individuals in a professional setting.
- What is your leadership style and how has it contributed to fostering team success, a sense of belonging, and both physical and psychological safety?
- Provide an example of a time when you needed to adapt your leadership style to meet the needs of a specific situation or team.
- How have you successfully stayed up-to-date with developments in human resources, talent management, and diversity and inclusion best practices?
- Do you hold any professional certifications, such as SPHR or SHRM-SCP? If so, how have they contributed to your success in previous roles?

### Recommended Questions From *Experienced CHROs*
